O R G A N I Z A T I O N

Hotel description and structural arrangements:
We offer two different structures to choose: “il Borgo” with 8 rooms and “il Colle” with 5 rooms.

“il Borgo”: Rooms are privately situated in a horse-shoe shape just footsteps away from the “Marta River”. The country structure, forged by stone and wood, is surrounded by the hills of the Maremma country side and a panoramic view.

Rooms offer you: queen size bed, satellite TV, mini-bar, personal safe, patio with a double sofa and side table, air conditioning, bathroom equipped with bath tub & shower, toiletries, hair dryer and wireless. Upon request we can also provide twin beds and/or crib, the use of the hydro-massage and room service.

“il Colle”: Inspired by the farms construction during agricultural reform, the structure is made of stucco walls and wood and conveniently located on the upper level where access is easily available for disabled.

Rooms offer a queen size bed, satellite TV, mini-bar, safe, air-conditioning, shower, toiletries and hairdryer. Upon request, we provide twin bed and/or crib.

A B O U T U S:

OUR MESSAGE

The idea of spending a holiday in the country was born from the desire to be able reconnect with our origins. The farm is the best vehicle to revive rich tradition of values such as respect for the land, the pleasure of good and genuine cuisine with a simple lifestyle full of great wisdom, surrounded by historical and natural beauties.

AGRICULTURE

Thanks to the temperate climate and the method of biological cultivation respecting the natural cycle of the seasons, we mean that our production is varied and tasty. Herbs, vegetables and fruits are used for preparation of tasty jams, oil and infusions.

VIGNA

Flagship of our crops are vineyards, where a careful and accurate work is followed by leading to the production of a particularly perfumed grapes that represent the ancient Etruscan land.

OLIVE OIL

Food ,at Valle del Marta, derived from ORGANIC crop production. The selected careful harvest of olives and the traditional method of cold pressing give the oil a considerable honor and taste.

LIVE STOCK

Our animals are raised according to the requirements legislation with corn, hay ,green pastures and a natural environment that make our products first class food.

CATERING

In the cozy rooms of the restaurant, you can taste typical dishes prepared according to traditions, using largely the products from our crops and farms.

‘Shank’ of pig cooked in the oven with a recipe from the 800’s, is one of our must: among the ingredients you will taste honey and fennel produced by our farm.

The ‘acquacotta’, a dish typical of the Maremma Laziale, prepared with all fresh picked seasonal vegetables, potatoes, egg on top and “bruschettas” (pieces of roasted bread) on the bottom of the pot, will amaze you with its special taste.

There is a particular focus on food intolerances such as :gluten and derivatives,.

Please apply directly to Mario, director manager (qualified person and identified by celiac as head of Italy in the refreshment problem of Celiac) for a gluten free menu.

Restaurant opening hours: lunch from 12.30 to 15.00
dinner 19.30 to 22.00 hours.

Open: All year

HOSPITALITY: Our main effort is keeping alive the spirit of a genuine holiday in the countryside. Valle del Marta complies with the architectural features of the territory related to culture peasant but not neglecting the need to be surrounded by all those conveniences that makes it very comfortable holiday. At Valle del Marta guests can meet farm animals, learning the methods of cultivation and processing of products.

WEDDINGS

Often our guests choose to celebrate their most important day at the houses of Valle del Marta. Green valleys surrounding our countryside are the amazing setting for a particularly warm intensive family moments.

ENTERTAINMENT and activities

During the year we organize tour, as expressed request of the customer, to visit and see the farm activities.

We plan guided tours to the discovery of the Etruscan civilization and the of medieval splendor. All visits will be accompanied by "Landlord" Mario, Franco or Valerio, who will enrich the visits with their lived experiences. We suggest comfortable shoes.

CONFERENCE ROOM

The conference room made inside an old military railway tunnel, can accommodate up to 250/300 people. Conferences, educational activities, exhibitions take place in a medieval atmosphere. The tunnel was built in the first years of 900 with a vaulted ceiling made of yellow and red brick

(60.000 bricks were used).

AWARENESS OF THE ENVIRONMENT

The organization of Valle del Marta is very attentive to the environmental problems and the soil health. We adopt the best measures to respect the environment such as collection waste for recycling , attention to wastage of water, solar panels.

MUSEUMS OPENING HOURS & DIRECTIONS

(1) The National Etruscan Museum preserves Greek and Etruscan objects of considerable value. Most of the items on display were discovered at Tarquinia, witnessing the unfolding the ancient town from its origins when it was called :Villanovian up to the founding of Rome (Roman conquest).

(2) The Necropolis of Monterozzi is located about 3 km outside our residence.

It consists of ca. 6,000 underground burial chambers however 200 of them show traces of paintings. We suggest the visit to the Tomb of the Bulls, decorated with a painting representing the ambush of Achilles Troiolo.
